

SAMPLE HEALTH SHIELD POLICY WORDING

Section A: Definitions

A.1 Hospital

Hospital means any institution established for in-patient care and day care treatment of illness and injuries which has been registered as a hospital with the local authorities and has at least 10 in-patient beds.

A.2 Pre-existing Disease

Pre-existing Disease means any condition, ailment, injury or disease that is diagnosed by a physician within 36 months prior to the date of commencement of the policy.

Section B: Coverage

B.1 In-patient Hospitalisation

The Company shall indemnify medical expenses for in-patient care for a minimum period of 24 consecutive hours, subject to the sum insured.

B.2 Room Rent

Room rent, boarding and nursing expenses are covered up to 1% of the sum insured per day, subject to a maximum of Rs 5,000 per day. ICU charges are covered up to 2% of the sum insured per day.

B.3 Day Care Treatment

Expenses for day care procedures listed in Annexure I are covered up to the sum insured.

Section C: Exclusions

C.1 Initial Waiting Period

Expenses related to the treatment of any illness within 30 days from the first policy commencement date are excluded, except claims arising due to an accident.

C.2 Pre-existing Diseases

Expenses related to the treatment of a pre-existing disease and its direct complications are excluded until the expiry of 36 months of continuous coverage after the date of inception of the first policy.

C.2.1 Disclosure

Coverage of pre-existing diseases is subject to the disease being declared in the proposal form and accepted by the Company.

C.3 Specified Disease Waiting Period

The following procedures are covered only after 24 months of continuous coverage: (i) cataract; (ii) knee replacement; (iii) hernia.

Section D: General Conditions

D.1 Free Look Period

The policyholder may cancel the policy within 15 days of receipt of the policy document if not satisfied with the terms and conditions.

D.2 Claim Intimation

Any claim must be intimated to the Company within 48 hours of admission in case of emergency hospitalisation.
